### **Cleveland's Premier Special Event & Wedding Reception Venue**

*The Van Sweringen Arcade and Reception Hall is much more than one of Cleveland's most notable historic landmarks...it is a masterpiece in 1930's Art Deco design and craftsmanship.*

*Capturing the spirit of the period, The Van Sweringen is an architectural gem, from its ornate ceilings to the travertine marble floors and English oak paneling.*

*Named to commemorate two of Cleveland's most creative and influential citizens – The Van Sweringen brothers (Oris and Mantis), the Arcade reflects the grandness and style of a city steeped in history and rich in tradition.*

*Today, The Van Sweringen Arcade and Reception Hall hosts a number of wedding receptions, corporate events, and holiday parties for groups of 100 to 300 guests.*

*The Van Sweringen Arcade and Reception Hall is managed by The Hyde Park Restaurant Group. For further information and availability, please contact our Private Event Manager today at (216) 514-2244 ext. 214*
